Kuykendall Road Improvements

This project will connect sidewalk along Kuykendall Road from Thorn Blade Drive to McKee Road, and add a right-turn lane from Kuykendall Road on to McKee Road in order to increase pedestrian safety and help alleviate traffic congestion at the intersection. Project will also fill in small sidewalk gap on the south side of McKee Rd at Kuykendall Rd and add pedestrian signals with crosswalk at this intersection. Project length = approximately 0.75 miles.
