Aviation / Architectural / Engineering Services

### Land Development Consultant Services

The Charlotte Douglas International Airport (CLT), a City of Charlotte department, is diversifying its revenue through the development of Airport-controlled property not required for aeronautical purposes. To that end, CLT seeks a land development consultant to advise its commercial development strategy for multiple landside parcels in its landholdings. CLT will seek land leases for commercial development to be awarded via a public process with advisement from the land development consultant.
