Landscape Maintenance Zone 3

The Charlotte Douglas International Airport (CLT) seeks to award a contract for Landscaping Maintenance Services of common areas including facilities, roadways, field & drainage areas and inclusive of turf, shrubs, ground cover and trees, mulching, fall over seeding, bedding areas, annual color, trash control, and chemical application. Zone 3 is primarily roadway moving with limited bedding areas. All work must meet accepted standards as set forth in industry documents and this scope of services. The Contractor must be able to perform the majority of work each weekday (Monday – Friday) with litter control occurring each day of the week including weekends. Work may on occasion be required on Saturday or at night to accommodate traffic and safety concerns upon the site. Work is divided between regular maintenance which is performed daily or weekly and yearly maintenance listed as annual for work that occurs an average of one each year. The Contractor shall furnish all material, labor, tools, supplies, equipment, transportation, superintendence, insurance, taxes, contributions and all services and facilities unless specifically excepted, required to maintain the property
