# Lock and Core Replacement at Existing Facilities

Obtain a contract to purchase locks and cores to replace the outdated locks and cores on CATS existing facilities on the south corridor of the Blue Line. The locks and cores will be purchased and pinned by a certified locksmith and will be consistent with what CATS currently uses, which is, Schlage Everest "T" keyway, 6 pin large format, removable cores, and some non-removable cores. The cores would all be pin according to CATS biting information. The locks and cores will be installed on CATS facilities by CATS Security staff. PSR- 1250
