LYNX Silver Line Equitable Transit-Oriented Development Policy and Implementation Study

The ETOD Policy and Implementation Plan will be developed to achieve the City's goals of creating transit oriented development along the Silver Line is equitable, multimodal and economically resilient. There will be two phases to this Policy and Implementation Plan- Phase 1 will consist of a community driven road map to develop equitable policies that center around cultural, social, economical, and environmental resilience and housing stability within station areas. A co-created policy between vulnerable station-area community members and small business owners facing displacement risks. Phase 2 will focus on implementation and transforming policy frameworks into actionable steps. PSR # 1457
