Mallard Creek NPW/PW System Rehabilitation - CANCELLED

This project will provide maintenance on the Mallard Creek Water Reclamation Facility's potable and non-potable water systems. Work on this project will include repairs to valves, valve collars, hydrants, and the installation of an 8-inch non-potable water connection line. As part of the project, the existing non-potable water backflow preventer, associated accessories, and FRP (fiberglass reinforced plastic) enclosure.
