Mallard Creek NPW/PW System Rehabilitation (Re-bid)

This project will provide maintenance on the Mallard Creek Water Reclamation Facility's potable and non-potable water systems. Work on this project will include repairs to valves, valve collars, hydrants and the installation of an 8-inch non-potable water connection line. As part of the project, the existing non-potable water backflow preventer, associated accessories and FRP (fiberglass reinforced plastic) enclosure.
