

Charlotte Water / Architectural / Engineering Services

Miscellaneous Geotechnical and Environmental Services Request for Quotation -CANCELLED

Charlotte Water will be requesting submittals from qualified firms interested in providing miscellaneous geotechnical and environmental services on an as-needed basis. Charlotte Water's Engineering division frequently manages projects that benefit from the use of on-call geotechnical and/or environmental testing and/or evaluation services during the design or construction stages. Firms will have to indicate whether they would like to be considered for miscellaneous Geotechnical Services, Environmental Services or both. This opportunity has been cancelled as of 1/18/2024.
