Municipal Service Districts 1-5 Services

Pursuant to the provisions of Article 23, Chapter 160A of the North Carolina General Statutes, the City has defined and established five (5) Municipal Service Districts ("MSD"). These partnerships extend the City's capacity to address strategic priorities and concerns of the community, including but not limited to:

- Partnerships due to special legislation (such as tax allocations);
- Partnerships that support the City Council's five strategic Focus Areas for the City (Community Safety, Economic Development & Global Competitiveness, Environment, Housing & Neighborhood Development, and Transportation & Planning); and
- Partnerships that contribute to community enrichment.

The City is seeking a Agency(ies) to provide Municipal Service District Services for each of the existing 5 MSDs. Companies may choose to propose for services on MSD 1-4 and/or MSD 5.
