On-Call Roof Maintenance and Repair Services

Charlotte Douglas International Airport (CDIA) has responsibility for maintenance and repair of approximately one hundred (100) buildings including the airport terminal. CDIA requires a minimum of two on-call contractors to perform maintenance and emergency roof repairs of these facilities. The selected contractors will enter into a time and materials contract for on-call roof maintenance and repair services on an as needed basis. The work shall include the furnishing of all supervision, labor, materials, and services required to make the necessary repairs. Along with making repairs to roofs, the Contractors shall be required to demolish and remove existing roof materials and dispose of all waste material. Repairs shall be billed on an agreed upon hourly rate and materials percent mark-up.
