Out of School Time (OST) Programs

The City of Charlotte aims to improve neighborhood quality of life through a community engagement strategy that ensures children are safe, succeeding in school and supported by their community. An integral component to achieving this goal is providing funding to organizations that deliver high-quality out of school time services to children and youth in high-need neighborhoods. Since 1978, the City has provided funding to agencies that offer Out of School Time (OST) enrichment programs to Students from low-income families. The programs can be provided at either neighborhood facilities or school facilities. This RFP is to solicit Organizations that provide these Services and evaluate their programs for potential City funding.
