Department of General Services / General Services

Painting Services

The City is responsible for maintaining a portfolio of approximately 180 buildings, including offices, fire stations, police division offices, and equipment shops, that house various City activities. The City also maintains cultural facilities, including museums and arenas that serve as venues for sports, entertainment, and other events. Contracts resulting from this RFP may be used by various City departments for needs across the entire City organization.

The Company shall provide painting services at various locations as identified by the City. Services consist of providing all labor, materials, equipment, and supervision for the painting and finishing of new and existing interior and exterior surfaces, i.e., walls, doors, jambs, window frames, and other work as directed by the Project Manager. Work areas may be occupied and require the moving and repositioning of office equipment and furniture.

The City reserves the right to prepare an individual Scope of Work and require a proposal with a complete breakdown of material, equipment, and labor cost for each project consistent with the prices established per the Price Schedule. The City reserves the right to furnish any and all equipment and/or supplies for projects. The City may solicit a quote for Services from one or more companies prior to assigning an individual project.
