

Department of General Services / General Services

Painting Services

The Building Services Division of the General Services Department is responsible for maintaining a portfolio of approximately 200 buildings, including offices, fire stations, police division offices, and equipment shops that house various City activities. The city also maintains cultural facilities, including museums and arenas that serve as venues for sports, entertainment, and other events. This contract shall provide painting services at various locations as identified by the City. Services could consist of providing all labor, materials, equipment, and supervision for the painting and finishing of new and existing interior surfaces, i.e., walls, doors, window frames, and other work as directed by the project manager.
