PCC Slab Replacement Program

The Portland Cement Concrete (PCC) Slab Replacement Program will include the rehabilitation and replacement of various airfield PCC pavement slabs that will be identified by the Owner. The intent of this solicitation is to select a company to provide rehabilitation and replacements utilizing selected construction materials for specific projects at various locations on Airport property on an as needed, Task Order basis during the duration of the scheduled contract. The Scope of Services requires the contractor to furnish all supervision, labor, materials, machinery, tools, equipment, and services, and perform and complete all work in an efficient and workmanlike manner necessary to complete construction of the PCC Slab Replacement Program.
