Charlotte Water / General Services

Pump and Motor Repair Service

This project will be to source a company to provide Charlotte Water with an electric pump and motor repair service. Some work will include repairs on explosion-proof (“EX”)-rated motors designed for use in hazardous areas and motor drive units. Work shall be performed to achieve a consistent, high-quality repair and/or reconditioning of a failed motor, and shall restore the motor to as-manufactured condition with the least service interruption feasibly possible. Service shall also include repairs to close-coupled pumps, such as submersible units. this opportunity was archived earlier
