

Charlotte Area Transit System / General Services

## **Rail MOW On Call Services Contracts**

The Charlotte Area Transit System (CATS) is seeking qualified contractors to ensure the maintenance and repair of the Rail Operations infrastructure, specifically the Track and Overhead Catenary System (OCS). CATS is considering qualifications for On-Call Special Trackwork Services, OCS repair services, and Emergency On-Call Services for the Blue Line and Gold Line transit systems. PSR # 1817
