Ramp Cleaning and Pressure Washing

The scope of this contract shall be to provide exterior surface cleaning services and pressure washing of the Charlotte Douglas International Airport including all ramp side areas around the terminal. The city will handle snow removal. The contractor will have no responsibility to remove snow as part of the contracted services. All work shall be performed between the hours of 11:00 p.m. and 4:30 a.m. seven (7) days per week except for the Ramp and Land Policing which will be Monday through Friday 7:00 am to 4:00 pm. Service Providers must be responsive to extenuating circumstances which may require temporary adjustments to schedule by the Aviation Department (e.g. construction, severe weather conditions, security, or other emergencies as defined). Any schedule changes proposed by the Service Provider must receive prior approval from an Airport Representative.
