Charlotte Water / General Services

Real Estate and Appraisal Quality Assurance and Quality Control Services - cancelled

Charlotte Water is seeking contracts with companies that will handle land acquisitions and all related services thereto as needed, which is required occasionally and pursuant to the construction of critical water and wastewater infrastructure. Services will include acquisitions, relocations, appraisals, review of appraisals, various legal tasks, and easement offers. The type and amount of work vary per project and thus is unknown until the company reviews each project at the time of assignment.
