

## / Opportunities

Charlotte Department of Transportation / Construction

### Resurfacing FY 2025-2026

This project consists of street resurfacing and its associated functions throughout the City of Charlotte. Resurfacing is not limited geographically as the possibility exists for paving to be performed anywhere within the city. The project includes traffic control, asphalt and concrete pavement milling, asphalt paving, base failure repair, asphalt surface treatment, utility adjustments, manhole frame and cover replacements, wheelchair ramp installation, sidewalk, curb repairs, bike program elements, and pavement markings.

#### Details
