

Department of General Services / Construction

River District Firehouse - Phase 1

Scope Statement: CFD plans to build a temporary firehouse for the newly developed River District to manage response volumes in the area. The firehouse will be located on Dixie River Road, near the future Catawba Crossing, on parcel number 14128101. The Phase 1 facility will be (1) triple wide trailer to house the firemen and a pre-engineered building to serve as an apparatus bay to house the fire engine and emergency equipment. This location and site selection meets the City of Charlotte Policy for Sustainable City Facilities and Charlotte Fire Department Facilities Master Plan.
