Charlotte Area Transit System / General Services

S70 LRV Coupler Parts and Repair Services

This request is to purchase replacement parts and repair services for the CATS Light Rail Vehicles Coupler System. Dellner Couplers Inc. was the supplier that manufactured and delivered the Light Rail Vehicle coupler components to Siemens under Contract #1. The equipment purchased against this Purchase Order is for spares required to repair or replace defective items and services to repair equipment. Parts must be interchangeable with the existing equipment. PSR-826
