Secondary Airfield PCC Spall Repair Program

The Airfield Maintenance Department of the Facilities Division of CLT maintains hard surface areas of CLT's airfield, and other areas as-needed. The intent of this solicitation is to select a company to provide repairs utilizing selected construction materials for specific projects at various locations on airport property on an as needed basis during the duration of the scheduled contract. The Scope of Services requires the contractor to furnish all supervision, labor, materials, machinery, tools, equipment, and services, and perform and complete all work in an efficient and workmanlike manner necessary to complete construction of the PCC Spall Repair Program.
