Charlotte Water / General Services

Sewer Cleaning and CCTV Services

Charlotte Water, a Department of the City of Charlotte, will be soliciting Proposals from interested Companies for Sanitary Sewer Cleaning and Closed Circuit Television (CCTV) Inspection Services of sanitary sewer pipes, including flow control, within the Charlotte Water service area. To ensure that the wastewater service flows properly, the sanitary sewer system must be regularly checked to ensure continuous flow with limited interruptions and to assist in maintaining the infrastructure from various issues including: root intrusions, broken or cracked sanitary sewer lines, illegal connections, or other pipe damage from external causes. This solicitation will be comprised of two scopes of services, scheduled and on-call services. Sanitary sewer pipes must be cleaned to within 99% of the original carrying (flow) capacity of the pipe. All grease, roots, and debris shall be completely removed to be considered clean.
