Sodium Chloride Deicing Salt

The City of Charlotte requires Sodium Chloride Salt for deicing City streets and roads, and as a preventative measure for any anticipated snowy or icy street conditions. This solicitation is to provide bulk tonnage delivery of Sodium Chloride Deicing Salt that has been treated with an anti-caking agent to the addresses specified by the Charlotte Department of Transportation (CDOT). The contract established will be for one year with the option for four (4) one-year renewal options. The City of Charlotte has determined that it will utilize a Reverse Auction to obtain pricing for its Sodium Chloride Deicing Salt. A Reverse Auction will utilize a 2-step process to obtain pricing from suppliers via a web-based online platform where multiple suppliers are able to submit descending prices, multiple times within a proscribed time period.
