

Charlotte Department of Transportation / Commodities & Goods

Sodium Chloride Deicing Salt

The City of Charlotte requires Sodium Chloride Salt for deicing City streets and roads, and as a preventative measure for any anticipated snowy or icy street conditions. This solicitation is to provide bulk tonnage delivery of Sodium Chloride Deicing Salt that has been treated with an anticaking agent to the addresses specified by the Charlotte Department of Transportation (CDOT). The contract established will be for one year with the option for four (4) one-year renewal options. The City of Charlotte has determined that it will utilize a Reverse Auction to obtain pricing for its Sodium Chloride Deicing Salt. A Reverse Auction will utilize a 2-step process to obtain pricing from suppliers via a web-based online platform where multiple suppliers are able to submit descending prices, multiple times within a proscribed time period.
