

[Charlotte Water / General Services](#)

Soil & Debris Hauling Service

The scope of this project shall be to provide ongoing soil & debris Hauling Services for Charlotte Water. Charlotte Water has multiple divisions throughout Mecklenburg County that may utilize Hauling Service. One of the main divisions is Field Operations which is responsible for infrastructure and pipeline repairs. Field Operations' service area is divided into four Service Zones. A company will receive all orders from Charlotte Water and bring mulch, and soil to and/or remove spoils from specified locations (Zone headquarters, job sites, or WWTPs). The successful Company must be able to perform scheduled hauls during Regular Hours, as well as Emergency Hauling Services. Emergency Hauling Services are services rendered outside of regular hours and/or on City observed holidays.
