

Charlotte Area Transit System / Construction

### **Track 4 Fall Protection**

Charlotte Area Transit System is the largest Rail Transit System in North Carolina and has various maintenance needs along the rail lines. This is a solicitation for fall protection for Track 4 in the SBLRF. This will protect personnel from falling while performing maintenance on a light rail vehicle. The selected vendor will design, engineering, fabricate, and install a fall protection system for track four (4) middle and south sections of the South Boulevard Light Rail Facility. PSR 1108
