

## / Opportunities

Charlotte Department of Transportation / Commodities & Goods

### Traffic Signals and Hardware

Charlotte's Department of Transportation is soliciting bids from qualified vendors to procure traffic signals and associated hardware for our city's traffic management infrastructure. The primary objective is to uphold and enhance the efficiency of overall traffic flow while maintaining and elevating safety standards to meet the growing demands of our community. We encourage the participation of Small Business Enterprises and Minority-and Women -Owned Business Enterprises in this procurement initiative.
