University Pond Water Quality Enhancement Project

The City of Charlotte Storm Water Services is proposing a water quality enhancement project called University Pond. It is bordered by Robert D Snyder Road to the North, Phillips Road to the East, University Hospital Drive to the South, and North Tryon Street to the West. The pond is partially located on the University of North Carolina at Charlotte campus and the remainder on the Atrium Health University City campus. The pond is within a drainage area of approximately 32 acres.
