Unspecified Demolition and Environmental Services

The City anticipates selecting one (1) or more firms for On-Call Services to include securing structures, asbestos abatement, utility coordination/relocation, demolition, clearing and grading of specified structures and related improvements, underground storage tank, and contaminated soil removal, well abandonment, tree removal, and miscellaneous environmental remediation. Services may be planned or as a result of an emergency and do not fall within the confines of an existing project's contract. Most demolition services are urgent in nature and required to protect the health, welfare, and safety of our residents.
