Valet Parking Upfit

The Valet Parking Upfit Project at Charlotte Douglas International Airport relocates the temporary valet parking location to a new permanent premium service valet parking operation and experience for the CLT passengers at the basement level of the Hourly Deck. The Valet Parking Upfit Project will include a customer transaction counter, customer waiting area, key storage room with passthrough window, employee breakroom, storage closet, four automatic glass sliding doors, paint and finishes in the Terminal and Parking Area, signage, hardware, and misc. equipment.
