Charlotte Storm Water Services / Construction

Valleybrook Storm Drainage Improvement Project

The Valleybrook SDIP includes the design and construction of needed improvements in the Valleybrook Storm Drainage Improvement Project (SDIP) area. The improvements include CMP culvert replacements and associated channel improvements. The Valleybrook SDIP is bordered by Folger Drive to the north, Sardis Lane to the south, Ramsgate Road to the west and Carosan Lane to the east. This project area is within a drainage area of approximately 450 acres.
