Department of General Services / General Services

Vehicle and Equipment Graphics Services

The City is seeking a qualified provider to facilitate the performance of city vehicle graphics manufacturing, application, removal, and inventory management services, including but not limited to the following:

- Application, removal, or repair of myriad vehicle graphics for various city vehicles, including but not limited to Charlotte Fire Department staff and service vehicles, Charlotte-Mecklenburg Police Department (CMPD) vehicles, Mecklenburg County Sheriff's Office (MCSO) vehicles, and Solid Waste heavy trucks.
- Transportation or light and medium vehicles from designated storage areas to the building work area, without assistance from City personnel, to complete service requirements;
- Providing immediate (same day or next day) turnaround service upon request for emergency or exception situations;
- Offering online ordering;
- Designating personnel to share service, inventory data, availability, and service/delivery information;
- Organizing meetings to facilitate service improvements, contract compliance, and addressing other relevant service issues.

Some Additional requirements:

- The Company must maintain active production operations and be physically located within a 50-mile radius of 1105 Otts Street, Charlotte, NC 28205.
- The City has established 3M film specifications. No other film specifications will be considered for this RFP.
- All installation and removal work shall take place at the City's Vehicle Commission/Decommission Facility located at: 5550 B Wilkinson Boulevard Charlotte, North Carolina 28208.
