Department of General Services / General Services

Vehicle and Equipment Welding and Related Services

The City requires a company to work in conjunction with Fleet Management, the Airport, and other city departments to provide Vehicle and Equipment Welding and Related Services to the City of Charlotte. The Company shall perform vehicle or equipment maintenance, repair, and modification through the provision of Vehicle and Equipment Welding and Related services for vehicles and equipment owned, operated, or maintained by the City. This includes, but is not limited to welding, fabrication, painting completed repairs and other directly related services. The Company shall provide these services either at their Company facilities or at approved City locations.
