

Solid Waste Services / Technology Goods & Services

Vehicle Lubrication and Related Services

The City of Charlotte Solid Waste Services seeks certified Small Business Enterprises (SBE) Service Providers to perform routine lubrication and preventive maintenance to decrease metal-tometal contact and wear on automated arms and hinge points on City collection vehicles. In support of the City of Charlotte's Charlotte Business INClusion (CBI) Program, targeted outreach efforts for this procurement opportunity and resulting contract will be directed to certified Small Business Enterprises (SBEs) within the Charlotte Combined Statistical Area. Interested vendors are encouraged to be registered in the <u>City's vendor registration system</u> and submit an application to establish itself as a certified SBE with the <u>Charlotte Business INClusion Program</u> prior to the Proposal due date.
