Water Quality Report Printing and Mailing Services

Charlotte Water is seeking a multiyear contract for the printing and mailing of the annual water quality report. The report is mailed annually to every resident in Mecklenburg County using the USPS list (est. 500,000 copies) on specialty paper and adhering to certain other specifications, such as ink type. Charlotte Water will provide a print-ready file to the company. Timing to perform these services is critical, as the report must be mailed by a strict deadline.
